HIGHLIGHTS

Welcome to this year's entry in VHBA's Summer Parade of Homes. This elegant 2-story home is sure to amaze.

- Custom staircase, 2-story stone arches and great room with custom wood tray ceiling, full height stone fireplace and a catwalk
- Gourmet kitchen features extra large granite topped island, custom painted cabinets accented by a stone fireplace and deluxe appliance package
- Second-story master suite features a custom metal spiral staircase that adds to this amazing design
- Upper level also features three bedrooms, full bath and convenient laundry room
- Lower level offers an egress window for future finishing

Come enjoy all the extra amenities in this beautiful custom 2-story house.
